"Major Turkey Shortage!!!

The Gunn 2016 Turkey Feast is fast approaching and we are desperately short of turkeys and pies! Volunteers too. On Thursday, November 17th over 1,600 students, teachers and staff will join together to celebrate Thanksgiving by feasting on turkey, stuffing, mashed potatoes, salad and pie. This community building event is one of the most well-loved of the year and in addition to fun and food, the Turkey Feast raises money for a local charity that students choose. It won't happen, however, without turkeys and pies and vegetarian offerings. Please go to the sign-up sheet and plan to cook turkey, bake a pie or volunteer.

Sources of Strength/Bone Marrow Drive

During the month of November, the Gunn community is focusing on the generosity aspect on the Sources of Strength Wheel. Gunn is partnering with Be the Match to host our first Bone Marrow Donor Registration Drive on Wed, Nov. 16, 2016.

Interested in learning more about what it means to be a bone marrow donor? There are teenagers in Palo Alto and throughout the US whose lives are profoundly impacted due to

battling leukemia and lymphoma. You can help them! You must be at least 18 years old to participate.

Informational sessions: Thur, 11/10 @ Flex 1 and 2 in N112. Learn how your generous bone marrow donation can save a life and the important guidelines you need to know before registering as a donor. You only need to attend one of the informational sessions to be able to participate on the day of the drive. Almost 18? Fill out a form to receive a reminder to find a local drive when you turn 18 years old.

Bone Marrow Donor Drive: Wed, 11/16 @ 12- 4 PM in the Staff Lounge. Open to students and staff 18-44 years old who chose to participate

SAT Information (11th grade)
