

AP PSYCHOLOGY APPLICATION FOR 2011-2012

NAME _____

GRADE _____

Think of a problem in psychology you would like to investigate. Offer a brief description of the problem or question and choose one (and only one) of three approaches you would take:

1. Descriptive: e.g., naturalistic observation
2. Correlational: e.g., survey
3. Experimental: e.g., a true experiment

Finally, explain why you chose the approach. **Limit your self to about 200 words, double-spaced (about 3/4 page), please.**

DEADLINE: FRIDAY MARCH 25, 2011
