

## User Preferences for Password Recovery process:

As a way to verify identity, there are two sets of pictures to choose as Likes or Dislikes. A total of eight choices are required in each classification.

Set User Preferences 

**Likes**

Activities Food Sports Other Animals

You have selected 8 of 8 likes

AND

**Dislikes**

Activities Food Sports Other Animals

You have selected 8 of 8 dislikes

**Your Likes**

**Your Dislikes**

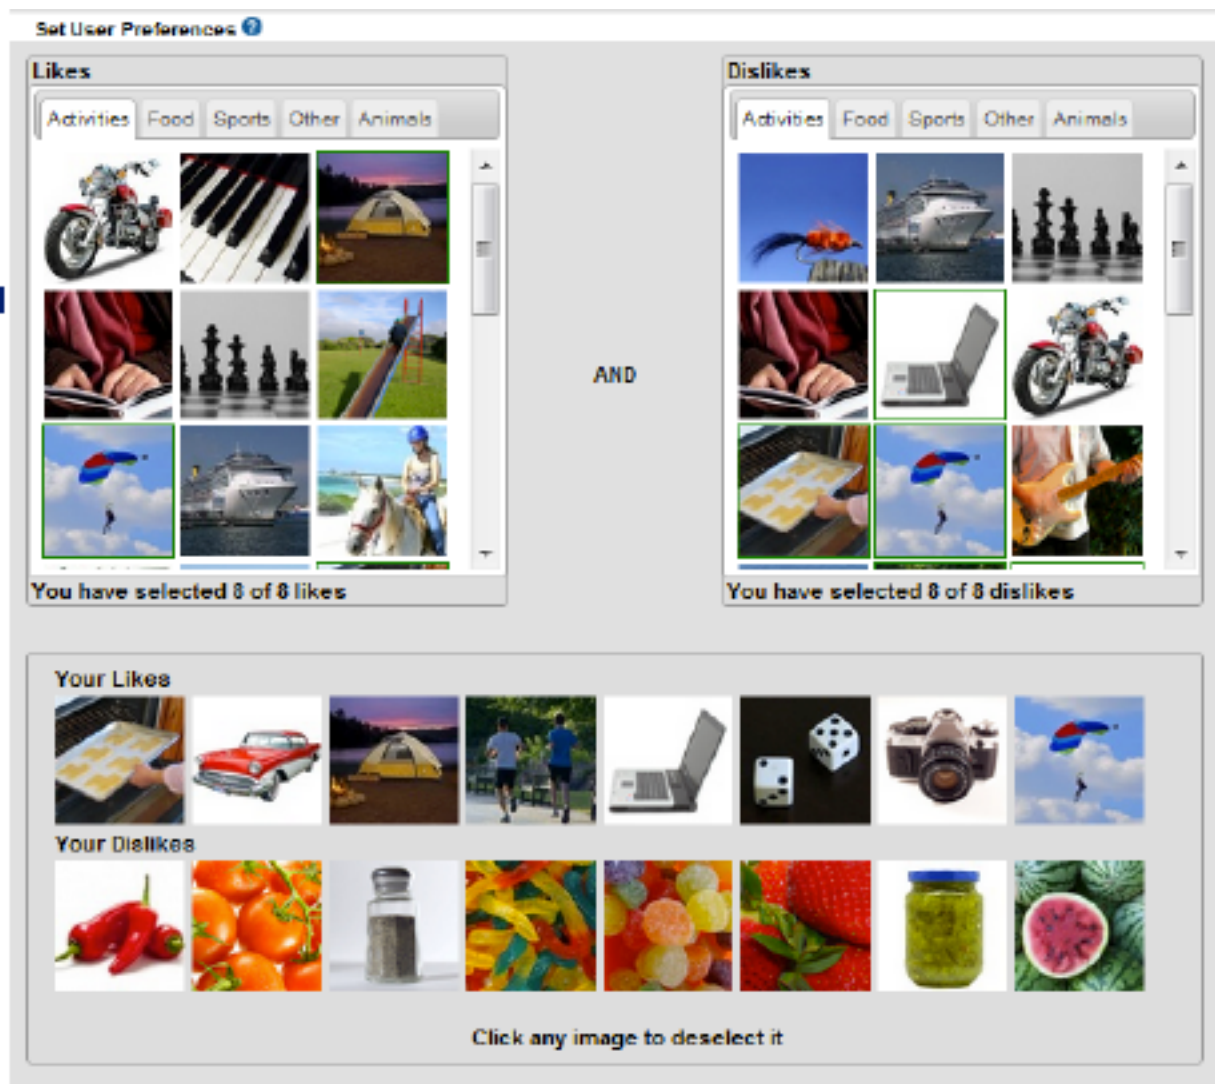

Click any image to deselect it

When asking to reset a forgotten password, the user will be asked to select either four images that they classified as Likes or four images that they classified as Dislikes. Remembering which images were selected is important.

## Preferencias de los Usuarios para el proceso de Recuperación de Contraseñas:

A manera de verificar la identidad, hay dos juegos de ilustraciones para elegir como Preferencias y Aversiones. Se requiere un total de ocho elecciones en cada clasificación.

Cuando se pida restablecer una contraseña olvidada, al usuario se le pedirá que elija ya sea cuatro imágenes que clasificaron como Preferencias o cuatro imágenes que clasificaron como Aversiones. Es importante recordar qué imágenes se seleccionaron.
