

Gunn Robotics Team (GRT) is a student-run team that competes in the First Robotics League.

In March 2017, GRT won the championship at the Arizona North Regional and qualified for the World Championship in Houston. GRT competed with the finest teams from around the world and was a semi-finalist team in Houston - a wonderful first in GRT's history! GRT was even in the news!

Support the joy of engineering and the Gunn Robotics Team!

1. **Make a donation to Gunn Robotics Team (GRT) Boosters!** Also, double your donation to GRT if your employer has a matching gifts program. You can also donate to GRT Boosters from a Donor Advised Fund like Schwab Charitable, Fidelity, Vanguard, Silicon Valley Community Foundation, etc. See TaxID# below. Your contributions support team activities, supplies and repairing and purchasing new equipment that stay on for future GRT members.
2. **Encourage your student to take engineering classes at Gunn!** If your student has a love of building, design, mechanics, software, or robotics, Gunn High School has three engineering classes, culminating in GRT, that allow them to learn real-world problem-solving and teamwork.
3. **Become a sponsor of our team!** We recognize sponsors on our cool T-shirts & at our competitions/events!

 Yes, I am willing to support the GRT Team with a donation to the GRT Boosters! Amount: _____

I love encouraging young people in their joy of engineering sciences! I'm interested in sponsoring the team!

Name(s) of supporter(s): _____

Email or Mailing Address : _____

(to send tax deduction receipt) Gunn GRT Boosters - Nonprofit Tax ID#: 47-5237023 (Useful for Donor-Advised Funds)

Send this back with your student donation packet or send your donation directly to:
Gunn Robotics Team Boosters - Gunn High School - 780 Arastradero Road - Palo Alto, CA 94306
