 - 3-7. New Global Citizens would like to have an Open Mic night on January 30th. The Gunn Sophomores wanted to have a hangout night also on the 30th. SEC agreed to allow them to talk between themselves and approve whichever event gets chosen.
 - 3-8. The Real Zeal Dance Crew also wanted to have an Open Mic night; however they filled out their form incorrectly so we don't know if they want it on the 30th or 31st. SEC will ask them to fix their form, pick a new date, and turn it in next week.
 4. At the last Facility meeting, they discussed whether or not the school will be single or double story – a decision should be made by March or April. They also discussed building a second gym, expanding the quad, and possibly having a two-story parking lot.
 5. At the last Admin meeting, they discussed last year's carnival. They liked how it was directed to middle schoolers and more of a community event. The AP application process will be removed because they are not allowed to restrict students based on the number of students who want to take it; class requirements however will still be kept. The speaker from Berkeley is going to come for the Drug and Alcohol assembly. Finally, they discussed the building plans; they want to move the Admin building to Attendance.
 6. If you have any couches that can be used for the first day of second semester, let Emmo and Gordy know.
