### Agenda:

1. Minutes
2. Announcements
3. Budget
4. Open

1. Minutes from August 31, 2009 were approved

2. Ms. Hall told us that if you want to go to Camp Everytown, contact her. PSAT registration is online or in the SAC. People still need to sign up for Admin meetings. Freshmen officer elections are this week. Ms. Hall wants us to watch out for any rule breaking and tell her if we see any.

3. The budgets are the same as the previous week.

4-1. Riley wants blackout shirts for home football games. He wants to sell them during the week before the football game and then sell the rest at the door. SEC has no objections and asks that Riley bring a plan next leadership meeting.

4-2. Brooke wants us to tear down any old posters around campus that we see.

4-3. Riley wants SEC to have lunch days in the SAC to get feedback from the student body.

4-4. Claire wants to publicize the mailboxes we have in the SAC so that more people know how to get in contact with SEC.

4-5. Kevin wants to formally introduce SEC, other than just in the Homecoming video.

4-6. Mark wants to make a new freaking video before homecoming.

4-7. Ting-Ting gave us all homecoming job descriptions and a homecoming calendar. SEC decided to have an afterschool Jamba Chug afterschool on Wednesday because of the minimum day (PSAT).
