

Monday 10/29/07

Agenda:

1. Open SEC meeting – Max
2. CASC membership– Max
3. SABE– Jenny G
4. Budget– Jenny W
5. Announcements– Ms. Hall
6. Trash in SAC– Ms. Hall

1. Max would like to hold another open SEC meeting where the student body can come meet SEC and ask questions or talk about any issues. We could either have it after school or at lunch, in the SAC, a conference room, on the Quad, or in L4. SEC would like the meeting to be at lunch in L4 next Thursday.

2. Max asked whether Gunn would like to join CASC membership. There are different levels of membership and the higher the membership, the more discounts (more free conferences, more students sent to camp, etc) SEC would like to ask Phil Park for more information before deciding.

3. Jenny will be going to a SABE conference the following week. SABE is the Student Advisory Board on Education, which meets in Sacramento to write proposals about issues in education that will be presented to the state board of education and legislators. She would like SEC to think of some issues; a discussion will be held later this week. These issues can also tie into the focus groups that SEC will be forming soon.

4. SEC unanimously approved the four fundraiser requests:

Titan Rhythmx car wash on 11/4

Heifer International basketball shootout 11/14 at lunch

Heifer International bake sale after school, date not specified

Pink Ribbon staff bake sale on 11/29 after school at staff meeting.

Jenny also gave an update of the budget:

Class of 08.....7590.46

Class of 09.....8213.53

Class of 10.....214.36

Class of 11.....-884.94

Dance.....25240.49

Student Body...29754.87

Homecoming Income.....15832.00

Expenses...-1567.26

Total.....14264.74

5. The turkey feast bins will be coming next week, and tickets will start being sold. On 11/7 students from a school in Singapore will be coming to visit Gunn. SEC members will all have a shadow that day.

6. The trash issue in the SAC is becoming out of hand. People are very disrespectful and constant verbal reminders have had no effect. Possible ideas are to close the SAC, put up posters reminding people to clean up, make a video on trash, or ask the janitors to not clean the SAC for a week. SEC voted to do a combination of all these ideas. We will leave the SAC un-cleaned in 2 weeks, so we can have a clean school when the students from Singapore visit.
