

Kaplan at School Program Options

Choose the test prep personalized to your child's learning style.

Premier Tutoring

Our most personalized program. Your child will benefit from customized, one-on-one tailored instruction from an outstanding tutor—in your home, on your schedule.

*Flexible scheduling | 12 – 48 hour programs | 3 – 6 practice tests, depending on program
Custom tutoring packages are available for most SAT Subject Tests, AP Exams, and academic subjects.*

Partnership Discounts:

Small Group Tutoring

The best of both worlds. Your child will enjoy the personal attention of tutoring and the interaction of a small group. Students can create their own schedule with friends, or enroll in one of our pre-set course options.

*PSAT: 5 sessions total | 3 three – hour instructional sessions | 2 practice tests
SAT or ACT: 12 sessions total | 8 three - hour instructional sessions | 4 practice tests*

Partnership Discounts:

Classroom Course

Our most popular option. Expert instructors teach score-raising strategies in a dynamic, structured group setting, with realistic practice and personalized feedback.

*PSAT: 17 sessions total | 13 two and one-half-hour instructional sessions | 6 practice tests
SAT or ACT: 12 sessions total | 8 two and one-half-hour instructional sessions | 4 practice tests*

Partnership Discounts:
