### ATTENDANCE

If you are unable to attend any WASC meetings please let Noreen and your Focus Group leaders know. (It is also helpful to Cc: Dawna to help with coordination. Focus Group Leaders often create group activities and seating charts so please let your leaders know if you won't be present so they can plan accordingly.)

Part-Time staff are expected to participate in all WASC activities and may communicate with the IS about juggling other responsibilities as part-time staff.
