 - **GUNN freshmen** — Please note that due to the high demand of the AP Chinese exam, it is unlikely that you will be able to take the test here at GUNN.

Late Tests will be administered May 22-24. No extra fee is charged for schedule conflicts. Conflicts due to sports, college visits, or vacations must be pre-approved for late testing, and the \$45 late testing exam fee will be applied. Please send the AP Coordinator a message through "**let's talk!**" to make a late testing request.

Free or Reduced Fees: Students who have a verifiable financial need are eligible for reduced fees. Students will need to meet with their Guidance Counselor to discuss receiving financial assistance.

Testing with Accommodations

February 23 is the final day to submit a request for testing accommodations to the College Board. Work with your Guidance Counselor or case manager to submit a request, if necessary. If you are already approved by the College Board for accommodations, you do not need to refile.

Questions? Please use the "let's talk!" application on the left side of this page.
