2020-2021 COURSE SELECTION WORKSHEET

1. Print your name in the space provided above. This form is a worksheet to select courses BEFORE you enter them into Infinite Campus. Online Course Registration will be open from February 10, 2020 - February 28, 2020.

2. All freshmen must enroll in 7 courses each semester and must select English, World History, Math, Science, and Physical Education courses. Students must also select two elective courses and two “ALTERNATE” elective courses. When choosing electives, students should keep in mind that in order to graduate, all students must complete level two of a World Language, one year of Visual and Performing Arts, and two semesters of Career Technical Education courses. In the event selected courses are not available, students will be placed in their “ALTERNATE” selections. If no “ALTERNATES” have been selected, course placement will be selected for the student.

3. When considering math placement, students are encouraged to communicate with their current teacher, counselor, and the Gunn course catalog to assist in making an appropriate selection.

4. For Science, all 9th grade students must select a Biology course. Please see the 2020-2021 Course Catalog for additional information on available Biology courses.

5. English courses are semester long courses. Students may select either the college prep or advanced level courses. For advice on level selection, consult with your current English teacher. You can also review the “Characteristics of Advanced Students” on the English web page.

6. All 9th grade students will automatically be enrolled in the PE 9 course. In order to receive a grade and credit, the student must attend class. Physical Education credit is NOT given for participation in Gunn Athletics alone – see online course catalog for details.

7. The completion of level two of a single language other than English is a requirement for high school graduation for the University of California, and California State University systems. Many colleges recommend through level three in a single language.

8. World History is required for all 9th grade students and students must select one of the available World History courses.

9. Once you have registered for your courses online via Infinite Campus, please print two copies of the Course Verification worksheet. One copy must be signed by a parent/guardian and turned in to your current middle school counselor, and one copy should be kept for your own records.

10. For additional information and to review prerequisites, please see the 2020-2021 Gunn Course Catalog (on the Gunn webpage).

11. ATHLETES: If you plan on participating in a Gunn sport, please type “Athletics” in the course search box. Choose the course that corresponds to the sport(s) you anticipate playing. Please note, these are only for sports offered at Gunn, and does not guarantee you will make the team you indicate. Do not count these when adding up the number of courses selected.

12. For all English Learners, please select English EL and Social Studies EL when choosing your courses. Students currently enrolled in EL 3 may also choose regular English and Social Studies classes as “ALTERNATE” classes. Final course placement in English and Social Studies courses will be determined by the EL team prior to the start of the school year.

Please use this worksheet in combination with the 2020-2021 Course Catalog to help you with course selection.

GUNN ATHLETICS

If you plan on participating in Gunn athletics, please indicate this via the Course Registration window in Infinite Campus by typing “Athletics” in the course search box. Choose the course that corresponds to the sport(s) you anticipate playing at Gunn. Do not count these when adding up the number of courses selected.

These courses are only for Gunn sports - not club sports teams. Indicating a Gunn sport **MAY** qualify you for a G period prep or G period PE. Requesting to join a Gunn sports team(s) does not guarantee you will make the team(s) you indicate.

In addition to selecting one or more sports, athletes will need to complete the online Athletic Clearance/Registration before the beginning of the season. For additional information on registering for a sport, please see the Athletics page on the Gunn website.
