

GUNN'S WEEKLY NEWS UPDATE

March 11, 2018

[Edición en Español](#)
[Mandarin Edition](#)

Dear Titan Community,
I hope this week's newsletter finds you enjoying the three-day weekend.

Alternative Schedules March 13-16

With Monday being a local holiday (no school), we will have an alternative schedule this week. Please see the calendar on our [homepage](#) for specifics.

Junior Parent Night (11th grade)

Join our amazing counseling team on May 9, beginning at 6:30 pm in Titan Gym. The evening will focus on preparing for senior year and remaining calm and focused during the college admission notification season.

The evening will begin with junior parents together in Titan Gym learning about the many benefits and tools available in Family Connection. After the opening session, parents will be engaging in one of two breakout sessions. One will be focusing on writing the Common Application essay questions and the other focusing on the Personal Insight questions required for UC's.

The evening will close with parents coming back together for a panel discussion. The panel will host counselors, parents, current seniors and graduates. Don't miss this fabulous event, mark your calendars now.

Junior Conferences

Junior Conferences are coming! Following up on individual appointments with Mrs. Kirsch in the College and Career Center, counselors will hold these individual student conferences in March, April and into May. To get started on the process, each junior will need to complete a 5 minute survey on Family Connection that gives the counselor a glimpse into the student's post-secondary goals, current needs and anything specific they'd like discussed at the meeting. The survey can be found on the "About Me" tab in the left hand column titled "**Junior Conference Survey**." After your student has completed the survey, they should email the counselor to request a meeting.

This information is being sent to all juniors through their Schoology accounts and will be broadcast on multiple showings of the daily Gunn produced television show, TBN. If your student is unable to log on to Family Connection, they should seek out Leighton Lang in the College & Career Center for support.

Wellness Center Update (all grades)

We hope this message finds all students and families well! We would like to provide a quick refresher on how students can access support in our space. Student support through the Wellness Center is available during the school day at any time.

In order for students to leave class to access services they are asked to check in with their teacher and request a pass for the Wellness Center. They can then take a 15 minute break in the space. During passing periods, lunch, before school, and after school students may also utilize the space for support. If a student is looking for additional support beyond a break support will be provided through their counselor or Wellness Center staff. We appreciate the understanding and flexibility that we receive from students, staff, and parents to provide Wellness care on campus each day!

SELF Update (9th grade)

This coming week, SELF cohorts will engage in a variety of activities to strengthen relationships within the groups. Cohorts might go for a walk on the Gunn campus, compete in a trivia tournament, cook food, and/or play board games together. Additionally, we'll be starting a March Madness bracket challenge; all students will fill out individual brackets, and winners will receive prizes after the finals on April 2nd.

Sources of Strength Update (all grades)

We will hold a training for students new to Sources of Strength on April 18, 2018, from 11:30-4:00. This training will be highly interactive, and, through activities, art, role play, and discussions, will cover the main principles of Sources of Strength. Invitations based on the generous list of nominations and volunteers will go out shortly.

For more information, see the national website www.sourcesofstrength.org, or contact any of the Adult Leads. Follow their instagram [@gunnsourcesofstrength](https://www.instagram.com/gunnsourcesofstrength)

College and Career Corner (11th and 12th grade)

Save the Date

Summer School (all grades)

The summer school website: <https://www.pausd.org/programs/summer-school>

Counselors will continue to enroll students for summer school classes that are “credit recovery.”

For student registration of classes, registration went live on March 7th at 8 AM.

Self-registration is only applicable for the following courses:

1. Living Skills (priority to rising 11th and 12th grade students)
2. Economics
3. Work/Exploratory Experience
4. Bridge to Geometry A (rising 9th graders)
5. Geometry A (rising 10th graders)
6. Transition to Calculus

To register for these classes on the summer school website the following information is required:

1. Student’s Infinite Campus ID Number
2. Student’s email address
3. Parent email address
4. Phone number

Please Support PiE

Thank you to all that have supported Partners in Education (PiE). The donations to PiE continue to support many programs at Gunn, including our guidance department. Your donations have made a difference for all students at Gunn.

Thank you for your engagement,

Mike Heffner
Assistant Principal
Gunn High School
