2019-2020 COURSE SELECTION WORKSHEET

1. Print your name in the space provided above. This form is a worksheet to select courses BEFORE you enter them into Infinite Campus. **Online Course Registration will be open from February 4, 2019 - February 25, 2019.**
2. All 11th grade students must enroll in two semesters of English, (one required, one elective -- please make sure that you choose 2 English Elective alternates as well), US History, Science and Math (if not completed through Algebra 2).
3. You will have three slots for elective courses (2 semesters each). Rank your choice of courses for next year in order of preference and select at least 2 alternate courses under "**Alternates.**" **If no Alternates have been selected, course placement will be selected for the student.** Refer to the **2019-2020 Gunn Course Catalog** (on the Gunn Web Page) for information. Make sure you meet course prerequisite requirements before you select a course.
4. Log on to Infinite Campus with your student ID number and password.
 - a. Click on "**Registration: 19-20 Henry M. Gunn High School**" from the menu on the left.
 - b. Courses you have already placed in your academic planner will appear in the list labeled "**Required Courses.**" If you wish to change any of these courses you must do so in both IC registration **and** the Academic Planner. For questions about math and science course selections, please see your current teacher.
