As a coach, I also understand that **all athletes need to return to PE class the day after their last official league competition.**

		I quit the team.
		The coach dismisses me/cuts me from the team.
		I cannot attend practice. I must attend my PE class on the day I miss practice.
		I am injured and can no longer participate in the sport.
		The day after the last official league contest. After season practice or training does NOT excuse you from PE, and cuts will be issued for each missed day after your last official league contest.
		If I am selected to the varsity team for playoffs, I will contact my teacher immediately and let them know so I will not receive any cuts.
		On the day of the final exam.
		State Fitness Testing (at the beginning and end of each school year)
		When assemblies or emergency drills occur during my PE period I must meet and sit with my PE class.

I understand that I must submit a self-evaluation near the end of each sport season. This form must be signed and completed by me and my coach in order to receive credit and a grade. If I fail to complete and turn in this evaluation, I may not receive a grade and/or credit for my PE class. The self-evaluation form can be found on the Gunn Physical Education Website: <http://gunn.pausd.org/departments/pe/>
